Weekday Children's Ministry: Enrolling now

The FUMC Weekday Children's Ministry is child-centered, biblically-based and educational. We offer a hands-on, developmentally-appropriate program where your child will be enriched spiritually, socially, cognitively and physically.

Scripture tells us that "children are a gift from the Lord, a reward from Him" (Psalm 127:3) and we consider it an honor and a privilege to be able to care for the many children in our program!

We are enrolling **NOW** for those who are currently in our program, have been in our program previously, or are members of FUMC Dothan. For more information about how to enroll, please call our office at 793-2179 or send an email to krysten@fumcdothan.org.

There are also several serving opportunities in Weekday like reading a story to a class, leading Chapel for our preschool students, chaperoning a field trip, etc. Please let me know if you'd like to serve, we would love to have you!

Sincerely,
Krysten M. Watts, Director

Give the gift of your time

By signing up to volunteer and care for your community today!

The City of Dothan is preparing for the next Love Your Neighborhood Clean-Up project. This program is a way for the City and its residents to work together to help beautify and enhance existing neighborhoods. Portions of the Eastside neighborhood have been identified as the next Love Your Neighborhood project.

We will join with other volunteer groups on Saturday, February 26th, from 7am to 11am, helping residents with yard work, light tree trimming, and hedge trimming. Volunteers will also help residents move yard waste, appliances, furniture, and other unwanted items to the street.

If you would like to sign up to serve, visit our website at fumcdothan.org/events or call 334-793-3555 and ask to speak with Ryan Deaton.

Hope to See you In Church This Sunday!
