Join us for an unforgettable evening of music with world renowned pianist Randall Atcheson. His concerts feature a mix of popular, classical, patriotic and sacred music. Randall was recognized as a child prodigy and was accepted at the Julliard School where he became the only student in the history of Julliard allowed to pursue and receive simultaneous degrees in piano and organ performance. He was winner of the first Julliard Organ Competition and gave the premiere performance of the new pipe organ in Alice Tully Hall at Lincoln Center. He made his Carnegie Hall debut in 1991. His concert schedule has taken him to five continents. He was honored to perform at the American Embassy in Paris for Former First Lady Laura Bush. He has also performed for Mick Jagger, Kathie Lee Gifford, Phil Collins and James Taylor. Don't miss this remarkable musical experience!
