

Camp makes learning about Jesus fun!

This week, children from FUMC Dothan are enjoying Camp Energize at Blue Lake in Andalusia

Our Children and Tweens are experiencing a week full of electric excitement at Blue Lake's Camp Energize. Every activity has been filled with the sound of a humming buzz as we move throughout each day. The currents flow as we take part in recreational activities including swimming, paddle boards, canoeing, and crafts. We even donned the outfits of our favorite characters while learning about the stories Jesus shared in His parables. These lessons are making a solid connection as we take part in acting out the scriptures. The friendships, fun, and spark for the Lord, are creating a beam that shines brightly!
