Children learn to shine Jesus' light during Vacation Bible School 2023!

It has been a STELLAR week at VBS! More than 270 children have discovered what it means to shine Jesus' light! They have been exploring how Jesus shines hope, love, forgiveness and joy to the world - and how they can do the same with His power. This week has been full of faith discoveries, memorable music, all-star games, tasty snacks and epic adventures that help the kids grow in friendship with Jesus. Our prayer is that STELLAR VBS will allow everyone involved to discover the life-changing power of Jesus' light.
