A Word from our own,

Molly White:

As this year's Champions of Hope Honoree, I am thrilled to invite you to join me at the 15th Annual Champions of Hope event to help advance the cancer services available in our community.

Most of us know someone who has been affected by cancer or we unfortunately will be affected personally by cancer at some point in our lifetime. This is our chance to help provide funding to increase even more medical opportunities in our community!

Personally, it has made such a huge difference in our cancer journey to be able to have as many medical services as possible in Dothan, such as scans, seeing an oncologist, or receiving chemotherapy. We are truly

grateful for the amazing medical community we are blessed with locally. Thank you from the bottom of my heart to the Southeast Health Foundation for all that you do to support those of us affected by cancer in our area!!

Thank you to my church family, FUMC, for being a sponsor of this year's event and for creating a team in my honor! I hope you will join me on Saturday, October 21, in downtown Dothan as we help make a difference for our community. I truly believe that God is working through this opportunity, and I'm committed to help make this the best year ever! Join our church team today by registering at www.sehealthfoundation.org and selecting FUMC, Dothan.
