Disciple Like Jesus

Making Disciples Like Jesus
Who Make Disciples Like Jesus

Phil Maynard
Eddie Pipkin

Dr. Phil Maynard is a systems thinker, trainer, speaker, coach, author of nine books and multiple training resources focused on making disciples.

Eddie Pipkin's ministry leadership includes youth/children's ministry, creative worship design, outreach/missions, event coordination, and leadership development.

We know we exist to make disciples that reflect the life of Jesus our role model. We also know that disciples are called to make disciples of Jesus. That is our mission. Congregations all over the country are looking for a way to make this mission a reality. They also know that what is currently happening to do this is falling short of the goal. *Disciple Like Jesus*, a new resource by Dr. Phil Maynard, is designed to address this very issue. Phil presents a deeper understanding of discipleship than 'butts in the pews' and 'dollars in the plate.' He gives a framework for understanding and living into the life modeled by Jesus and some specific behaviors that help us get there. Phil also shows how very ordinary disciples can do extraordinary work in helping others grow as disciples through the very skills that Jesus demonstrated. *Disciple Like Jesus* is an invitation to a new vision for discipleship and description of how to bring that vision to reality.
