

You are invited to attend our Rosemary House Dementia Caregiver Center Ribbon Cutting & Open House

November 7, 11 a.m. - 1204 W. Burdeshaw Street

Please join us as our Respite Care ministry celebrates the opening of this beautifully restored cottage designed as a haven for people who give care to those experiencing memory loss from Alzheimer's and other dementias.

A HAVEN FOR CAREGIVERS

As the caregiving experience for a loved one with dementia evolves, so do our emotions. Rosemary House is a safe space to share feelings, fears and joys. One on one conversations with trained staff can help a caregiver navigate their emotions through a difficult journey. Group Support and community can provide a greater sense of well-being and a more balanced life. Meaningful support and connection are the heart of Rosemary House.

DID YOU KNOW?

Rosemary has been linked to concepts of enduring love, memory enhancement and in the 14th Century, it was believed to restore vitality. This herb represents all people living with dementia, their care partners, and community volunteers all in need of respite.
