

Welcome Children's Ministry Director Julie Johnston

Julie comes to us with many years of experience as an educator. Throughout her career, she has worked with young children including students with physical, neurological, and behavioral disorders. Julie prides herself in crafting and implementing creative, hands-on approaches to learning, resulting in willing cooperation from students and recognition as a contributor to the outstanding academic and behavioral success of young children.

She has extensive experience in curriculum development, classroom management, and parental communication. Julie also has years of experience working with senior adults by serving in various capacities, including a Quality of Life Director, Activities Coordinator, and Recreational Therapy Director. Julie has planned and coordinated many events, both large and small, collaborated with countless volunteers, and developed new programs and educational opportunities for children and adults.

Julie's educational background includes a Master of Science in Industrial Organizational Psychology, a Bachelor of Arts in Psychology, and an Associate of Applied Science in Early Childhood Education. She has a number of academic and professional accomplishments that have led to her success in the various roles in which she has served.

Julie always encourages others to do their best and become their best. She loves making people feel welcome and comfortable through humor and humility. In her spare time, she likes to sing, write songs, work on cars, and perform home remodeling projects. We are excited to partner with Julie in ministry as we seek to make young disciples for Jesus Christ for the transformation of the world.

Ryan Deaton,
Discipleship Ministries Director

A Word from Julie ...

Julie Johnston

I come to FUMC as a thankful and blessed believer in Christ. I am very excited to be part of this church family, to grow and be used by GOD. I am privileged to use the talents and experiences that the Lord has blessed me with to share the Word of God creatively and enthusiastically with others. I love trying new things and learning which has resulted in a very eclectic background such as my experiences as a Nashville recording artist, working in television, and doing music videos. Additionally, I am a BMI lyricist and I also have a great deal of professional decorating and event planning experience. I love to laugh and appreciate a good prank now and then too. Thank you FUMC for giving me the opportunity to serve God and you.
