

Honduras High School trip!

This year we are going to Honduras and staying at Rancho Ebenezer, an orphanage where we will be ministering to the kids living there as well as do some projects outside in the city of Tegucigalpa! A Passport will be required for all participants. Several forms will need to be completed as well. Please fill out the forms at the following link: <https://www.wgoreach.org/serve-team-forms>

There are three forms under the Honduras section we will need a copy of.

We will host at least two in person meetings to answer any questions once we get some people signed up. Until then please reference the following link for answers about the orphanage:

The total cost of the trip is \$1,000 with a \$500 deposit saving your spot! We can only take a total of 14 guys and 18 girls based on the housing at the orphanage including our adults. Please email Robbie Amunds at robbie@fumcdothan.org or call 850-374-0267 for more specific questions.

We are working on the itinerary for our specific trip but below you will find a sample. Myself(Robbie), Ryan and Sonia are going on an exploratory trip on the 31st to see everything and put together a final plan!
